

# Science Study Site

Table of Contents

GED & HiSET Science · GRDM Publishing, LLC · [gingertheteacher.com](http://gingertheteacher.com)

## Life Science

40% of the test

- 1 Cells & Cell Processes
- 2 Human Body Systems
- 3 Genetics & Heredity
- 4 Evolution & Natural Selection
- 5 Ecosystems & Energy Flow
- 6 Reading an Article: How Vaccines Work
- 7 Reading an Article: Why Bees Matter
- 8 Reading an Article: Cells, the Building Blocks of Life
- 9 Reading an Article: How the Body Uses Food
- 10 Reading an Article: Genes and Heredity
- 11 Reading an Article: Natural Selection

## Physical Science

40% of the test

- 1 Matter & Its Properties
- 2 Atoms & Chemical Reactions
- 3 Chemical Equations
- 4 Forces & Motion
- 5 Energy
- 6 Waves, Light & Electricity
- 7 Magnetism
- 8 Reading an Article: Renewable Energy
- 9 Reading an Article: Sound and How We Hear
- 10 Reading an Article: Forces and Motion

---

**11** Reading an Article: Chemical Changes

---

**Earth & Space Science**

20% of the test

- 1 Earth's Structure & Plate Tectonics
- 2 Rocks, Minerals & Earth's Cycles
- 3 Weather & Climate
- 4 Astronomy: Earth, Moon & Beyond
- 5 Reading an Article: Coral Reefs & Warming Seas
- 6 Reading an Article: What Causes Earthquakes
- 7 Reading an Article: Why the Moon Changes Shape
- 8 Reading an Article: Weather and the Water Cycle
- 9 Reading an Article: Rocks and Earth's Resources

---

**Science Skills**

Woven through every question

- 1 Reading Science & Finding Evidence
- 2 Designing & Interpreting Experiments
- 3 Test Practice: Read the Material, Answer the Set

---

**Science Math**

Appears across all areas

- 1 Reading Graphs & Tables
- 2 Data & Numbers in Science
- 3 Reading Graphs: Complete the Passage
- 4 How to Read Charts & Graphs
- 5 Basic Math Reminders

---

**Also in the study site**

- Practice test — HiSET-style item sets (a passage, graph, or table with several questions)
- Vocabulary puzzles — word searches and crosswords for every area
- Glossary — every science term, A to Z

- What's tested in science — the content areas and skills the test measures
- Helpful websites — free study resources for each area

---

39 lessons across five areas · built for adult HiSET and GED science learners
